Understanding the Organ Donor Registry

Donor Network West: Who they are and what they do

Zoom Webinar on Sunday, October 18, 2026 at 3:00 pm

Register at: https://tinyurl.com/BAAKP-DNW

This meeting explains what it means to join the organ donor registry and how this future-focused choice can help kidney patients. The webinar is educational only — no one is being asked to donate a kidney now. Instead, participants will learn how registering as an organ donor can support others down the road.
